

Amy Brennan

Project Manager

Amy is a qualified Project Manager motivated by a dedication to achieving successful project outcomes, leveraging her background in the construction fitout and information technology sectors.

Amy's experience working on university projects has allowed her to develop a comprehensive understanding of managing refurbishment and fit out projects within an education-based environment.

Amy has a strong focus on communication and organisation across all projects. Notably in using MS Excel, Project, and SharePoint to streamline projects and ensure successful delivery.

Amy thrives working in a challenging and fast-paced environment where she plays a pivotal role in ensuring the successful project delivery. Simultaneously, she consistently broadens her knowledge base to consistently achieve enhanced project outcomes.
